Keys

- List of games
- Click on game to see detail
- When a new one is assigned, you will get an email. When you come in to the schedule portion, you will be able to accept or decline game. You need to do that ASAP. You should generally not decline games – if you do that is considered a ‘turn back’.
- Use list at end of year to ensure you got paid for all your games (I create an excel file from this and check off games once I receive a check).
